

Sims Middle School

Assignments While Quarantined

We are so sorry that your child is having to quarantine. We will do our best on our end to ensure as little gap in education as possible.

Assignments are accessed in TEAMS via Classlink.

- Teachers in every class have been working since the fall with students to make sure that students know how to access assignments, post assignments, and connect with the teacher.
- Please give teachers 48 hours from the time of quarantine to post assignments. Check TEAMS everyday while you are out for updates and directions from the teacher.
- If your child is new to Sims and unsure how to log in to Classlink or TEAMS, we have multiple resources to assist you. Please contact Kelley Petrovits (850-995-3676 ext. 114) or check out our “Information Tab” on our website www.simsmiddle.com for directions on how to connect in TEAMS.
- If your child needs a laptop (and/or internet access), please contact Ms. Petrovits (850-995-3676 ext. 114), and she will work with you to get one as soon as possible.

If you have additional questions you can connect with your child’s teacher via email, TEAMS, or telephone. You can also contact your child’s guidance counselor for more information:
